

# Politecnico di Torino meets TU Darmstadt students

Politecnico  
di Torino

# Torino, Italy

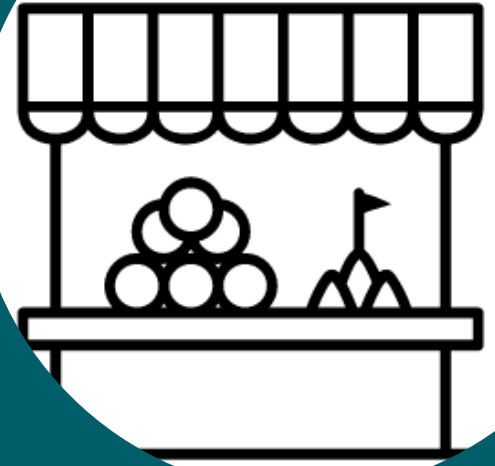

# Why Torino?

→ Low cost of living

Good transportation system

Apartment's rents cheaper than  
other metropolitan cities

Biggest food market in Europe  
(Porta Palazzo)

# Why Torino?

→ Student's city

Libraries

Study Rooms

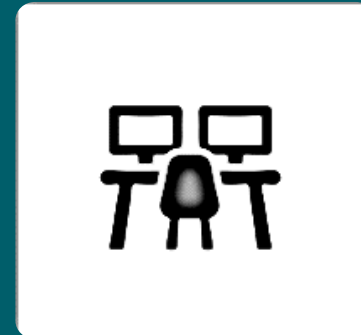

University Sport Center

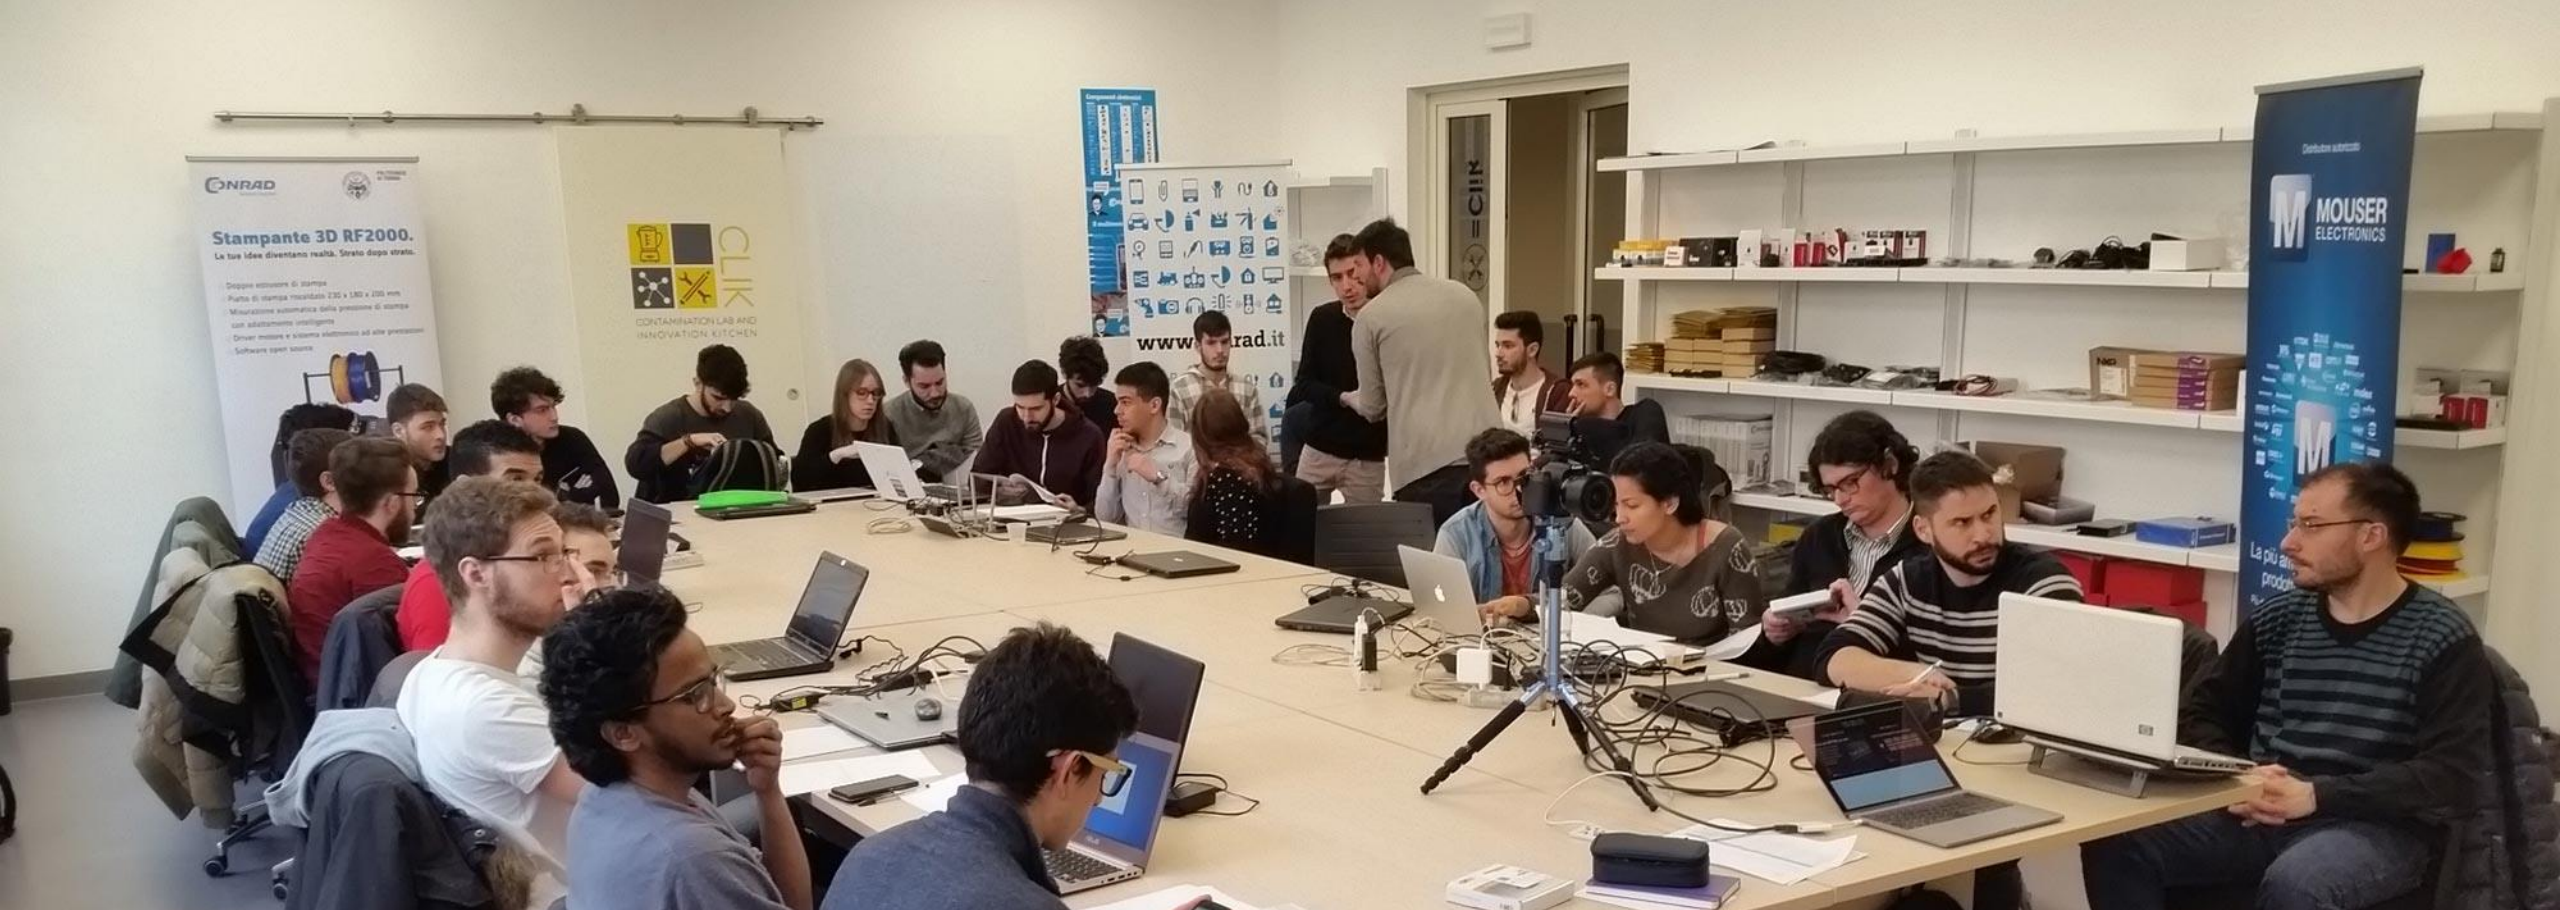

Bars & Clubs

Student's canteens

Halls of Residences

International events

PoliTo at a glance

## 22 Bachelor's degree programs

3 in Architecture (1 in English)  
19 in Engineering (4 in English)

## 29 Master's degree programs

6 in Architecture (4 in English)  
23 in Engineering (16 in English)

## Students in Numbers

900+ Incoming Exchange students

16% International students

# Exchange at PoliTo

# Mobility offer

**Type of activity:** 1/2 semesters of courses, courses and final project, final project in:

- Bachelor and Master of Science in Automotive Engineering
- Bachelor of Science in Material Engineering
- Master of Science in Materials Engineering for Industry 4.0
- Bachelor of Science in Electrical Engineering
- Master of Science in Electric Engineering
- Bachelor and Master of Science in Aerospace Engineering
- Bachelor of Science in Biomedical Engineering
- Bachelor of Science in Chemical and Food Engineering
- Master of Science in Chemical and Sustainable Processes Engineering
- Bachelor and Master of Science in Civil Engineering
- Bachelor of Science in Civil and Environmental Engineering
- Bachelor and Master of Science in Building Engineering
- Bachelor of Science in Energy Engineering
- Master of Science in Energy and Nuclear Engineering
- Bachelor and Master of Science in Mechanical Engineering
- Master of Science in Biomedical Engineering
- Bachelor of Science in Environmental and Land Engineering
- Bachelor of Science in Mathematics for Engineering
- Master of Science in Mathematical Engineering
- Bachelor and Master of Science in Electronic Engineering
- Bachelor of Science in Electronic and communications Engineering
- Bachelor and Master of Science in Computer Engineering
- Bachelor and Master of Science in Cinema and Media Engineering
- Bachelor and Master of Science in Engineering and Management
- Bachelor of Science in Physical Engineering
- Master of Science in ICT for Smart Societies
- Master of Science in Nanotechnologies for ICTs (national path)
- Master of Science in Physics of Complex Systems (national path)
- Master of Science in Communications Engineering
- Master of Science in Mechatronic Engineering
- Master of Science in Data Science and Engineering
- Master of Science in Architecture Construction City
- Master of Science in Architecture for Heritage
- Master of Science in Architecture for Sustainability

# Requirement for your Learning Agreement

Politecnico di Torino Governing Board established that you have to define a proposal of Learning Agreement including at least 18 credits/ECTS per semester from the Degree Course of application.

This decision involves only the selection of courses; final project credits are excluded from the requirement of having in the Learning Agreement 18 credits of the main Degree Course.

As you are invited to attend at PoliTo 20/30 credits per semester, there is still the possibility to choose some courses from other majors than the one of application. The remaining courses can be selected from the study plans of both Bachelor and Master of Science.

# Language requirements

LANGUAGE OF TEACHING OF THE COURSES/ACTIVITIES INCLUDED IN THE PROPOSAL OF LEARNING AGREEMENT:	MINIMUM LANGUAGE REQUIREMENTS
ITALIAN	ITALIAN: B1* level
ENGLISH	ENGLISH: B2* level
ENGLISH AND ITALIAN	ENGLISH: B2* level AND ITALIAN B1* level

\*the B1 and B2 levels refer to the Common European Framework of Reference for Languages

**The level of English has to be declared by the Home University during the student's nomination. This declaration is enough to fulfill the language requirements**

# How to Apply

## Requirements

- Agreement for your Degree course
- Selection by your Home University
- Nomination by your Home University

## Documents

- Passport
- Transcript of Records

## Procedures

- Application to be filled in by you
- Evaluation by the Mobility Board
- Acceptance

[https://international.polito.it/admission/exchange\\_programmes/admission\\_procedure](https://international.polito.it/admission/exchange_programmes/admission_procedure)

# Mobility timeline

	Arrival during Fall semester
Nomination period	May
Application period	May - June

Exchange students only (not Double Degree)	Arrival during Spring semester
Nomination period	November
Application period	November - December

# Academic Calendar

Activity	Fall semester	Spring semester
Courses	End of September - Mid of January	March – Mid June
Exams	End of January - End of February	End of June - End of July
Recovery exams session: September		

# Italian Language course

- The Language Centre at the Politecnico di Torino offers all international students Italian language courses free of charge of different levels according to the Common European Framework of Reference for Languages.
- You are free to attend an Italian language course only to improve your knowledge and obtaining 6 credits.
- The Italian language course exceeds the credits you have to achieve during your mobility.

# Thank you!
